HEAL THE V♥TE

Dear #HealTheVote Partners,

First: Thank you for joining us for this important campaign! The 2020 election is fast approaching and we need to make sure that our voices as crime survivors and those who support us are heard. We're working hard to lift up crime survivors to #HealTheVote—to demand that our lawmakers prioritize those of us most-harmed and least-helped by the criminal justice system. Our vote is our voice, and together, we will be heard!

Can you make sure that we light up social media with posts to highlight this crucial campaign to get folks registered, aware and informed about the coming election?

Below are sample posts for three social media platforms (Twitter, Facebook, Instagram) that you can copy (or modify) and attached are graphics to include with your posts.

Please be sure to use the #HealTheVote hashtag, include the links as shared, and tag us at @CSSJustice.

Thank you again for your support!
